CCA Derry~Londonderry presents *nothing (but windows)* by Janie Doherty and Locky Morris

Tuesday 23 March 2021 – Saturday 24 April 2021

nothing (but windows) is a new body of work by Janie Doherty and Locky Morris commissioned for CCA Derry~Londonderry's Project Space. Over the past month Janie and Locky have been making short video works, with snippets of some appearing in various forms on social media. Largely improvised, the videos respond in part to the environment it seems to play with, imbuing them with the atmosphere of the now, and giving them painterly qualities. Drawing on the human need for touch, the works are intuitive and fluid in nature and seem to act as a threshold between worlds. The

Project Space is visible at all hours through CCA's windows on Artillery Street and more excerpts will appear on our social media platforms [@CCADLD](#) soon.
